

# BLACK HOLES in the EVOLUTIONARY THEORIES

Hmm- EVERYTHING  
is HIGHLY  
ORDERED and  
COMPLEX ~

Hmm- How DID  
IT GET WOUND  
UP IN THE  
FIRST PLACE?

WHERE DID  
ALL THIS ORDER  
COME FROM  
ORIGINALLY?

THE PRIMEVAL EXPLOSION OF THE  
BIG BANG THEORY IS SUPPOSED  
TO HAVE RESULTED IN A UNIFORM  
EXPANSION OF MATTER AND ENERGY-  
SUCH AN EXPLOSION WOULD HAVE  
RESULTED IN DISORDER- YET  
THE UNIVERSE IS PERFECTLY ORDERED!

THE TWO LAWS OF  
THERMODYNAMICS

Law #1  
THE TOTALITY OF  
MATTER/ENERGY  
REMAINS CONSTANT.  
THE UNIVERSE  
COULD NOT HAVE  
CREATED ITSELF.

Law #2  
ALL CHANGES ARE  
IN THE DIRECTION  
OF INCREASING  
ENTROPY (RUN-  
NING DOWN.)

THE MANNED VOYAGES  
TO THE MOON, AS WELL AS  
THE VARIOUS UNMANNED  
PHOTOGRAPHIC MISSIONS  
TO THE VARIOUS PLANETS,  
HAVE DEMONSTRATED  
NOTHING SO CLEARLY AS  
THAT ALL SOLAR SYSTEM  
BODIES ARE VASTLY DIF-  
FERENT FROM EACH  
OTHER, AND THUS COULD  
HARDLY HAVE BEEN THE  
PRODUCTS OF ANY COM-  
MON EVOLUTIONARY  
PROCESS ~

NOT ONLY DOES THE SECOND LAW POINT  
BACK TO CREATION...IT ALSO DIRECTLY  
CONTRADICTS EVOLUTION. SYSTEMS DO  
NOT NATURALLY GO TOWARD HIGHER  
ORDER BUT TOWARD LOWER ORDER.
